

Indiana WIC Information

If you or your family on **currently WIC** participants and your checks have been lost or destroyed due to the flooding, **please visit your local WIC Clinic** (see below) to replace your lost or destroyed checks.

If you are **not currently on WIC** but would like to apply, **please visit your local WIC clinic** (see below). Indiana WIC is for:

- Pregnant Women
- Breastfeeding Women (up to baby's 1st birthday)
- Non-Breastfeeding Postpartum Women (up to 6 months)
- Infants (up to their 1st birthday)
- Children (up to their 5th birthday)
- Applicants must be "at nutritional risk." The specific criteria and parameters that indicate risk are determined by a health and dietary assessment performed by a health professional at the time of certification.
- Applicants must be "income" eligible. Families receiving Medicaid, Food Stamps, and TANF are income eligible for the Indiana WIC Program. If you are not a member of these other programs, check the income chart below to see if your family might qualify.
